

We believe everyone deserves a safe and secure place to age gracefully, wherever they may call home.

Our Charitable Care Commitment:

We have **never** asked a care community resident to leave due to genuine financial hardship.

1 in 8

of our personal care residents receive charitable care totaling **\$3.2 million.**

We have a **\$29.7 million gap** in delivery of care

=

\$26.5 million in uncompensated care

due to government or insurance limits not covering the full cost of care, caused by stagnant reimbursement rates.

\$3.2 million in charitable care

We are unwavering in providing top-level care despite the challenges, and we strive to hire and retain dedicated team members who deserve market-value compensation.
